

APP Privacy Policy

Last updated: 1. November 2021

Arendi AG ("Arendi AG", "the company", "we" or "us") built the following app's ("the app", "the Service") for Apple's iOS and Google's Android platforms as a free app:

- BLE Update
- BLE RF Test
- BLE RSSI Meter

This Service is provided by Arendi AG at no cost and is intended for use as is.

This page is used to inform app users regarding our policies with the collection, use, and disclosure of Personal Information if anyone decides to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to Email Address. The information that we request will be retained by us and used as described in this privacy policy.

The app does use third-party services that may collect information used to identify you. Link to the privacy policies of third-party service providers used by the app:

- Google Play Services: <https://www.google.com/policies/privacy/>
- Firebase Analytics: <https://firebase.google.com/policies/analytics/>
- Crashlytics: <https://try.crashlytics.com/terms/privacy-policy.pdf>
- Heap: <https://heapanalytics.com/privacy>

Log Data

In case of an error while using the Service, we may collect data and information (through third-party products) on your device, collectively known as Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics that may help us debug and investigate the error.

Cookies

Cookies are files with small amount of data that is commonly used an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your device internal memory.

This Service does not use these “cookies” explicitly. However, the app may use third-party code and libraries that use “cookies” to collect information and to improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse these cookies, you may not be able to use some portions of this Service.

Service Providers

We employ the services of third-party companies and/or individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services;
- To assist us in analyzing performance and stability of the Service; or
- To assist us in analyzing how our Service is used so that we may improve on it.

These third-parties do have access to your Personal Information in order to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purposes, subject to provisions listed in their own Privacy Policies.

Security

We value your trust in providing us with your Personal Information, and we strive to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children’s Privacy

This Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case if we discover that a child under 13 has provided us with personally identifiable information, we will

take immediate action to delete that data from our servers. If you are a parent or guardian and you are aware that your child has provided us with personally identifiable information, please contact us at info@arendi.ch so that we are able to assist with deletion of said data.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
